# Iyinoluwa Esther Oluleke

Front End Developer

Bariga, Lagos | 08106233690 | iyinoluwa.oluleke@gmail.com

 github.com/iyin21/

Summary

I am an enthusiastic front end developer with drive and determination needed to resolve complex issues. Developed commercial applications for service-based businesses. Eager to contribute to team success through hard work, attention to detail and excellent organizational skills. In short I love to create technology with the main goal of solving real-life problem and create value for humanity.

Work experience

Front End Developer   02/2021 - present
